Specialty is Underwater (primarily Freshwater streams, rivers and lakes), with a further specialty in unique Over/Under images where half the photo is above water and half below {see my business card for an example}.

Pacific Salmon UW and O/U in their spawning rivers (sockeye, coho, pink, chum, chinook) females digging nests, pairing up, fighting, holding in groups, single portraits, salmon with eggs on gravel, dead salmon on river bottom  
Over/Unders (O/U) with fish, mountains, forest and sky all in one image

#### Other Habitat and Species UW and O/U

- bull trout, dolly varden char/trout
- rainbow trout: spawning colours, pairs, singles, female digging nest, O/U's
- sticklebacks
- yellow pond lillies U/W and O/U, including O/U's of the flowers
- damselfly females all silver from air trapped on their bodies, depositing eggs in pond lilly stems underwater
- freshwater sponge on floating tree trunks
- O/U's of floating log communities with carnivorous sundew plants, moss, bog laurel growing in the air, and sponges growing underneath
- U/W microbialites in Pavilion Lake, BC, related to ancient reef forming stromatolites of the Cambrian Era, one of only 3 such lakes in the world

#### People UW and O/U

- snorkelers and freedivers U/W and O/U
- underwater fish in Baja, Sea of Cortez
- whitewater kayakers O/U's
- 5 yr. old girl playing in pool O/U's
- swimsuit, nude, glamour O/U's in clear BC streams

#### Cityscapes O/U

- O/U's of Parliament Buildings in Ottawa and the Ottawa River; CN Tower/Lake Ontario in Toronto; Lions Gate Bridge, Canada Place/Burrard Inlet in Vancouver

#### Rainforests of British Columbia, the remote Central Coast or Great Bear Rainforest, Clayoquot Sound, Carmanah, Sunshine Coast and areas close to Vancouver

- old growth forests, large cedars, Sitka spruce, Douglas fir, vine maple, broadleaf maple, moss carpeted trees
- Arbutus trees
- mushrooms :coral, bracket, amanita, chicken-of-the-woods, oyster
- rainfall and water cascading over the moss in heavy rainstorms
- streams, rivers, waterfalls, lakes
- people camping, paddling, hiking, conducting research in the rainforest
- grizzlies and black bears

**BC Landscapes and Parks**

- Southwest BC
- Sunshine Coast
- Powell River area
- Vancouver Island and Gulf Islands
- Central Coast, Tweedsmuir Park
- Chilcotin Plateau, Chilko Lake and River
- Cariboo region, Peace River District
- Liard Plateau area, Muncho Lake Park, Northern Rockies Park
- Omineca Mountains, Williston Reservoir area

**Ontario**

- Upper Ottawa Valley scenics and fishing, Algonquin Park
- Ottawa, Toronto, Niagara Falls

**Salmon (shot above water)**

- salmon in quiet pools and riffles
- salmon partially eaten by bears or wolves, fertilizing the forest or being eaten by maggots
- dying or dead salmon covered in fungus, dead salmon and eggs

**Sea Kayaking**

- in BC, Baja and Belize
- All aspects: from people in kayaks, point of view in kayaks, various weather, camping, scenery, sea life (jellyfish to whales)

**Winter Scenics and Sports**

- mountainscapes in snow, BC
- backcountry skiing
- ice-fishing, Ontario

**Environmental Issues**

**Logging: roads, clearcuts, Enviro/First Nations blockades and protests**

**Pollution/Garbage**

**Climate Change:** dried up lake beds, rain gauge, push lawm mower etc.

**Transportation:** Bicycles, buses, suv's, traffic congestion

**Ranching**

**Protests, Marches and Gatherings in Vancouver and Victoria**

**Commercial Fishing**

**Cob House Construction**

**First Nations (coastal BC)**

- fishing and fish preparation
